Welcome to Tunisia

HAMMAM SOUSSE

02/04/2025 - 10/04/2025

ABOUT THE PROGRAM:

The exchange project MIGR-ACTION will raise awareness of the topic of migratory movements in the past, present and future and contribute to a more positive approach to migration. The relations between the countries involved in the exchange have always been multifaceted. We would like to explain and discuss the migration policies and immigration laws

as well as the integration strategies of the four countries involved under the aspect of human rights with participants and experts. Especially at a time when fear of foreign immigration and racism are

on the rise in many parts of society, it is more important than ever to encourage people to focus on what humans have in common, to oppose discrimination, and to become more aware of the value of freedom, solidarity, and respect for human rights.
