FROM 23 JUNE TO
2ND JULY 2025

Creation of a giant puppet parade

This project will enable participants to create a parade with giant puppets. We'll be hosted by **Créarc**, which organizes the annual “**meeting of young European theater**”, bringing together theater companies from all over Europe.

The parade will also feature the famous **BatukaVI** troupe, who are spreading the use of the batoucada around the world.

From the 23th to the 25th June - Chateau-Rocher, ROYBON

For the first 3 days, participants will be accommodated in lovely trailers at 400 Impasse du Chateau-Rocher, 38940 ROYBON.

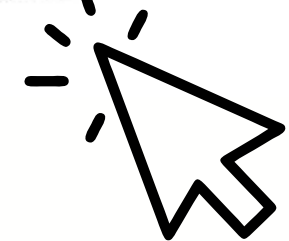

On site, we'll get to know each other and learn how to use the giant puppets. Participants will learn how to create costumes in the workshops, which they will then teach to families in Grenoble.

From the 26th to the 27th June - Grenoble

Participants will travel to Grenoble for the 2nd phase of the project. We'll be staying in Créarc accommodation. During this period, the BatuaVI troupe will give our group an introduction to the batucada.

The participants will act as facilitators and, with the help of the speakers, will run a costume workshop for the town's families, so that they can join in the final parade.

The 28th June - Final Show

After a final day of rehearsals, our intercultural group, the BatukaVI and their giant puppets, and the families who took part in the workshops, will parade through the streets of Grenoble for the opening ceremony of the “rencontre du jeune theatre européen”.

From the 28th June to the 2th Juillet

After our performance, we'll end our stay as spectators. Our group will be able to enjoy several shows on site, from professional and amateur companies from all over Europe.

We'll take the opportunity to visit Grenoble and discover the local culture.
