We expect a volunteer team member to accompany us during events, school, and regional visits to promote international mobility. Also, we want them to recommend workshops and different activities to improve the language level of the inhabitants. The person we want to see in our team should create new activities, and organize workshops and games concerning international mobility for the inhabitants. Also should prepare the posters for the events, good social media skills will benefit this mission.

The volunteer will be accommodated as a single person at the accommodation of Foyer des Jeunes Travailleurs in Alençon. In addition, our volunteer teammate will be provided 180 euros for pocket money and 210 euros food expenses by our association and will have a bicycle for transport (there are only 10 minutes between the social center and the accommodation).
