Hosting Organization: Valponasca

Valponasca Association was founded in 2003 in León and its scope of action is national (Community of Madrid and Castilla y León). Our mission is to provide answers to the personal and social needs of groups at risk of social exclusion, with special attention to children, youth, families, immigrants and women.

The daily activities are carried out in the socio-educational area and in the area of labour insertion, through programmes aimed at different target groups.

Tasks of the Volunteer

- Support in carrying out daily school support tasks: study techniques, preparing materials, etc.
- To develop materials for school support appropriate to the contents that the target group is working on.
- Participate in different workshops: reading encouragement, IT, social skills, artistic expression, etc. Plan, develop and evaluate the workshops.
- Plan, develop and evaluate leisure and free time activities.
- Attending team meetings.
- Drawing up weekly follow-ups.
- Produce reports and reports on activities together with the educational team.

-
- Legal resident in the country of origin.
 - A basic level of English and Spanish will be be positively valued.
 - Active person, willing to learn and to get to know other cultures and ways of working.
 - A background in social and educational sectors and a love of working with children would be an asset.
 - Availability and compromise to participate along the whole Solidarity Project.

Hosting Organization: Don Bosco Youth Center

Don Bosco Youth Center is an entity which carries out an extensive project of community development and socio-educational intervention in the area of Armunia (in the periphery of León city) since 1980. This is an area with a high rate of population at social risk.

In this context, the Youth Center has received an important and positive response by the neighborhood. The aims of the association are linked with the promotion of the children and youth empowerment throughout a leisure education program which fosters values such as tolerance, respect, solidarity and interculturality.

Tasks of the Volunteer

- Carry out educational support tasks with minors and support the various projects of the center.
- Participate in the accompaniment and family monitoring of the users of these projects.
- Establish a relationship with the educational centers in the area and study the users. The volunteer will also coordinate the educative work with the tutors.
- Develop entertainment and leisure activities for the users of our programs.
- Assist in the organization and help maintain excellence in our activities.
- Develop dissemination activities on Erasmus Plus and the European Solidarity Corps with young people at least once a month.

Participants profile

- Legal resident in the country of origin.
- A basic level of English and Spanish will be positively valued.
- A background in social and educational sectors and a love of working with children would be an asset.
- Availability and compromise to participate along the whole Solidarity Project.
- Young people interested in projects about educational intervention with youngsters and children at social exclusion.
