Erasmus+

The project

The theme of this project is interculturality and contact with the environment and the sharing of local culture.

The objective is to discover and propose, with you, alternatives to adopt fairer and more sustainable lifestyles for the planet, always in contact with local culture and heritage and to become an actor and actress in raising awareness of an approach eco-citizen.

Erasmus+

Profile of Participants

This project is a youth exchange funded by the Erasmus+ program.

You will need to be 18 to 30 years old.

The group will be made up of Italians, Greeks, Ukrainians and French. There are no registration fees to pay.

Main Activities

For two weeks you will meet through reflection workshops, activities to promote local heritage, workshops and activities to discover the environment of the region or even visits to eco-places.

The objective is to co-construct a vision of a more tolerant and responsible society with the environment. 4 to 6 hours of work / site per day

The Place : La Maison des Bateleurs

La Maison des Bateleurs has been created in 1996, and is part of the national movement of Solidarités Jeunesses. This place is dedicated to diversity, wishing to host a lot of people from different backgrounds through several kinds of action (events, international workcamps, inclusion workcamps,...)

Volunteers from all around the world come here to share an intercultural experience, to work and live together...
